踏出第一步

人，從來不知道，下一秒會發生什麼變化!!究竟是好是壞，是個問號!!??從來不知道我會當上交換學生，不知道自己是多麼幸運來到這個國家(墨西哥)，不可思議一直在腦海揮之不去，不停的打轉。毫無預期，短短一個月多，我似乎愛上了這裡。

抉擇好難，就像陌生的來到十字路口，沒人知道我們選的那條路究竟會有多奧妙!!觀念其實沒有對錯，但它很重要，能帶笑容給你!!

落花水面皆文章”在大眾的眼裡，墨西哥並不是最理想的選擇，毫不奇眼的他卻是帶給我最多笑容和歡笑。其實，每一件事都隱藏著他的秘密，只是我們缺少了發現，如果我們挖掘了，就能懂它的涵意，而去享受它的好。哪一個國家都不是問題，重要的是我們要從中學習。

艷麗的玫瑰花和人人厭惡的雜草，如果是您，您會選擇當誰呢？它並沒有解答，大多數得人會選擇那完美的玫瑰花，受人寵愛，受人呵護。但如果是我，我會比較喜歡那人人厭惡的雜草，因為我喜歡它的性質，它得韌度，不管在哪種環境下，他不在乎他人的眼光，活出自己，堅強的他，比一般的花草更獨立!!這才是我們應該學習的!!溫室的花朵，受人疼愛，可是一個不小心，就會使他墜入死亡。過度的照顧，並不是對它好，而是害了它。

今年應該有人會想交換學生吧!!目標或許已經很清楚，或者還在交叉口，不必給自己壓力，不要堅持一定的答案，有時候期望太大，會摔很痛，放平常心去迎接所有的事務，它會帶給你一個意想不到驚喜喔!!我的大姐we wei，原本要去捷克當交換學生，因捷克的學生不來而改派遭到巴西當交換學生，剛開始我的媽媽點難以釋懷到巴西當交換學生，但誰都不知道，她得故事有多讓人羨慕驚艷，we wei有多愛巴西。

聽聽自己，聆聽你的心，不要被動搖，不要受他人影響。因為你才是主角。

放手讓自己飛出去，我們都像是降落傘，開始翱翔，而我在墨西哥慢慢降落，尋找自己的歸屬點，展開意想不到的旅程。而您呢???

我的家人，從不擺佈我，從來不要求我一定要當個醫生、律師、政治家，他們只要求能對得起自己，對得起別人，對任何事物都要負起應該有的責任就好。讓自己摸索，才會成長。

勇敢踏出第一步，給自己一個100分的人生。

當上交換學生，你才能親自體驗坐上雲霄飛車，享受高高低低的奇遇，或許當你結束這段旅程，也會嘴角上揚，微之一笑，這就是我們的傳奇。

Viva mexico (墨西哥萬歲)，笑容，它為我開啓。

墨西哥不像台灣高中有很多科目可以選，他們只有三個科目！設計科、商科、醫學科！而我的班級是醫學，他們常常練習打針，解剖，為了融入班級，我也讓他們抽了血，感覺好緊張，畢竟我們年紀都還小，經驗都還不足，不過還好朋友技術很好!沒瘀青等等，還算很成功。

嫁出去的女兒就像潑出去的水，這是台灣最傳統的習俗。可是墨西哥卻看不到這樣的場景！假日時，媽媽們常常會回去娘家，和自己的兄弟姐妹們聊天，分享這一星期的記事。這讓我感到好驚訝！

常常介紹著台灣的文化，每個人專注的神情，不知不覺開始打動我的心，你問我為甚麼!?沒有人喜歡一直重複再重複每天所說一樣的話，可是這次卻不一樣。當我在描述台灣的傳奇，大家都是瞪大著雙眼，好傳神，就像小朋友聽著童話故事，不斷的問題，然後用一個驚訝的表情回答你所說的話，期待你繼續讀著故事。

Rebound 學生演講

最後回答你，我也好想去台灣喔！

用分類來說，台灣人應該被分為文靜派和靜態，墨西哥屬於熱情派和動態。

台灣餐廳哩，常常不會有很大的喧鬧聲，談話著，即使好笑，也不會放得開笑，不風趣，就只是聽著，可墨西哥人，只要你開口，他們就會從你的句子裡找到風趣得字眼，而哈哈大笑，剛開始我愣了！！到底哪裡好笑呢！我也搞不懂，久了！我才發現，笑是他身邊不可或缺的配備物。休閒是他們最重視的休閒娛樂。

一道橘黃的豔陽，透過玻璃窗，灑落一地的熱情與狂野。

凝視光芒中微微翻滾的塵子，思緒，也開始慢慢串入腦海，開始飛揚。

天氣變化大，讓我感冒了。早晨的寒冷，讓我多披上外套，中午的熱氣使我換上短衣，夜晚的狂風，使我顫抖的身軀。每當正中午，所以的事物都好像中暑般，炎熱讓人亂了方寸。現在的我只想找一份清涼，好好清新自己。

我的學校種滿的許多大樹，到了午後，天空中多層變化的顏色，帶著被暈染的雲兒們，搭配著鳥鳴聲，我好像來到了大自然，向他投入懷抱。

和朋友們，進入了山區，聽著鳥兒歌唱著，他的歌聲讓我有翠綠的喜悅。我想慢慢鳥鳴聲驚醒我仍在城市裡的心煩氣躁。鳥兒歌唱，我想慢慢享受這般翠綠的曲調，加上流水溪溪伴奏著，讓整的森林跳起舞來。蜿蜒的小徑向上延伸，整片翠綠的森林，填滿我的視覺，微風中能聞到芬多精的香氣，讓我似乎脫離城市喧鬧，好像洗滌我的身軀與心靈。我又愛上墨西哥的森林。

我愛墨西哥，我想那是愛，讓我們有能力找到世界每一處的寶藏。

愛的曼妙與扣人心弦，我想讓大家知道，書的白紙黑字以外的無線，僅存在墨西哥的世界。

放手讓自己飛出去，我們都像是降落傘，開始翱翔，而我在墨西哥慢慢降落，尋找自己的歸屬點，展開意想不到的旅程。

墨西哥的傳統，讓我大開眼界，夜晚的星空中，只剩下笑容的殘留，坐在車中不再享受冷氣的保護，而是鮮空氣輕輕撫摸著，這才是大自然，跟隨著微風，享受音樂的動感，墨西哥的熱情，我已經確定，我的翱翔是正確的歸路這，就是我第二個家。當上交換學生，就像讓我親自體驗坐上雲霄飛車，享受高高低低的奇遇過程；當我結束這段旅程，即時過程很堅辛，也在最後一刻嘴角上揚，微微一笑，這就是我的傳奇。Viva mexico（墨西哥萬歲），笑容，它為我開啓。

We never know what is going to happen in the future. And I never knew that I would go to Mexico to be an exchange student and how much I loved it. Much to my surprise, the country has stuck in my head as the wonderful way it is. Less in a month I seem to love it little by little.

Chooses are so hard to make, just like a crossroad, you have no idea which road to pick and where to go. No one will know what kind of challenge is going to be and how amazing it is after the journey. But the most important thing is smiling can take you going through it.

Everything could be articles by the way you look from eyes. Perhaps Mexico is not the first choice that people will take, but for me it gave me a lot of joyful and happiness that I could ever image. It doesn't matter which country you pick, it's about what you learn.

I do like to take a risk and not like the life is too smooth. We should be more Independent.

When you are making decisions, don't give yourself too much pressure. Just go for it. It will absolutely bring you sparkle. Like my sister, she was going to Jack but the exchange student from Jack was not coming so instead of going to Jack she went to Brazil. But who knows she loves there so much.

Just listen to your heart, yourself. Don't make your mind shaking by what other people say to you. Because you are the leader of yourself.

Step out bravely and take a shot, create your colorful life.

You probably will meet ups and downs after experiencing it. But that's what the story being.

The education of high school and traditional in Mexico is different from Taiwan. They have really different ways to learn how to study! They are not only reading books, they do everything with their hands. For instance, my class in Mexico is about medical, they always practice giving an injection and operating. To fit in this class, I let them give me an injection and i was really nervous. Mexican always get together with their family every weekend to share things that they have been doing.

I am really proud of being a Taiwanese. I like to share Taiwanese cultures with them. They are always interested in what the cultures are in Taiwan. That makes me feel I am special. They will keep asking questions like kids and then they'll tell you they would love to go to Taiwan.

Most people in Mexico are fervent. They always smile and laugh all the time wherever they are. They greet with kiss and hug. In the beginning I was so surprised. After, I start showing my emotion in their way.

.There are many trees around in my school, in the afternoon there are many kinds of birds start singing. I seem to come to nature when I was over there.

When I had free time , I went to a mountain with my friends. I felt everything is so peaceful like being in a fairytale. I fall in love with Mexico again.

Let go yourself, find your own story and make it unbelievable. Viva Mexico !
