Dear student Yu Chun CHIEN (Angel) from Taiwan

Since there is no Croatian Embassy in Taiwan, Youth Exchange Committee of Rotary District 1913 decided that students that are coming from Taiwan can apply for a residence permit once they arrive to Croatia.

Namely, Nationals of countries that do not need a visa to enter Croatia can apply upon their arrival to Croatia in the nearest Police Department. In accordance with the Croatian legislation when applying for a First Residence Permit the applicant must make their appearance in person!

Our practice is that all students need to have their residence permit before their arrival, but for you we will make an exception since we want you to avoid costs of traveling to closest Croatian Embassy.

We will prepare all documents at our end:

Together with the signed Guarantee forms you will get some additional documents:

- host club acceptance letter in Croatian
- school acceptance letter in Croatian
- host family ownership deed in Croatian

These documents are to be submitted when applying for a residence permit, therefore we provided them in Croatian so you would not have to translate them and have additional expenses. We will send you a scanned copy of all documents, and we will keep originals until you arrive to Croatia.

All required documents must be either the originals or notarised copies. All required documents which are in English need to be translated into Croatian by certified translator. Document cannot be older than six months from the date of issue.

It is very important that together with the documents you will receive from us you prepare all required documents at your end, like

2 photos (35 x 45 mm), birth certificate, passport, police certificate of no criminal record, money for issuing residence permit, and

the most important is the authorization that your parents need to give to your host parents in Croatia. You are a minor and that authorization must be certified by a public notary in 2 copies. Please find attached the template.

We kindly ask you to carefully prepare all the documents and also send us scanned copies. You will bring originals with you when you arrive to Croatia.

If you have any additional questions feel free to contact us.

### Kind regards
